

Buy a **Brick**

Paving the path for generations to come.

**Be part of our new
community senior center!**

Funds raised will go directly toward the construction of the new center for Seniors in the Eastern Taney County area.

Purchased bricks will be placed along the walking path surrounding the center, and the veteran bricks set with honor around the flagpole.

Every brick donor will be honored on a commemorative plaque inside the new center as a lasting contributor.

The Board of Directors of the Forsyth Senior Friendship Center is proud to see this new community senior center coming to life!

Together, we're making it happen.
